

Seminar Hall

Bharat Institute of Pharmacy has a well-established seminar hall with sufficient number of seating capacity. The seminar hall is designed with an LCD projector, white screen; air conditioned system, and a speech desk. The seminar hall also constitutes a computer with internet facility and is equipped with a good sound system. Programmes including students' seminar, guest lectures, personal development classes, campus interviews, project presentation, paper presentation, visitor interactions etc. are all organized at the seminar hall. The seminar hall also has good lighting and proper ventilation system.
