MINUTES OF MEETING

The meeting has been held in presence of Chairman Sir, Principal, all the Class In-charges and all elected Class representatives, for the discussion about the responsibilities of class representatives at **Bharat Institute of Technology (BIT)** in seminar hall, for the academic year **2022-2023** on **17-08-2022** at **10.00 am**.

These responsibilities will be effective from **18-08-2022** i.e. from **Thursday**.

Agenda:

The meeting has assembled to discuss the following Responsibilities/Duties of a Class representative:

- Main Role: Act as a prime official channel of communication between teacher and rest of the class, for all monitoring formalities.
- Appraise students that mobile phone is strictly prohibited in class room, lab sessions, and tutorials/exam hall.
- Punctuality maintained by all students for arriving in classroom (none should not be late by more than 10-15 minutes).
- Get an undertaking from all the students that nobody will volunteer to give proxy for others, during signing of lab attendance. Proxies identified will be reported.
- Should not take any matter to the teacher, which benefits only a few students, without taking permission of the entire class. (e.g: Shifting of class hours, tutorials, exam schedule, alteration of marks distribution etc).
- Keep a watch on the schedule for the entire semester and report/discuss with teachers for any modification required well in advance (preferably more than a month).
- Expected to have good rapport with all students and have a cordial relation with them.
- Identify problem cases (students not studying/interested) and report to the teacher.
- Reporting to the teacher may be simply done by written application, once in a week or two, unless some urgent matters emerge.
- Make announcements to students at the beginning of semester and then periodic ones (tutorials, submissions, any notifications by teacher in class etc.) as reminders.
- Small issues (e.g. attendance status, tutorial marks) may be sorted out with teachers only.
